The representation of Janab B.H. Abu Baker requesting in the circumstances explained that he may be given a change back to Hypore or in the alternative to Bangalore, is for perusal. When the question of this posting on the expiry of his spl. duty was taken up, it was proposed that he may be retained in Hypore as S. Dy. Hypore Subdn. But he was posted to the charge of the Sakaleshpur Subdn. in view of the orders of the Chief Minister to the effect that Sri R. Dharanendra may continue as S. Dy. ~~Bangalore~~ Hypore. MR. B. M. ABU BAKER, M.A., (HONS.)
SENIOR ASSISTANT COMMISSIONER
"SPECIAL DUTY OFFICER" UNESCO SEMINAR

Mysore,
22nd February 1950.

Dear Sir,

I beg to enclose herein for your kind perusal and kind submission to Government, a copy of my representation, which I have submitted through the Deputy Commissioner and the Revenue Commissioner in Mysore, Bangalore. In view of the urgency, I have taken this liberty of submitting a copy directly to Government for which I may kindly be excused.

Thanking you and with highest regards,

Yours Sincerely,

GOVT. OF MYSORE

To

The Chief Secretary to the Government of Mysore,

Through

The Revenue Commissioner in Mysore,

and

The Deputy Commissioner,
Hassan District, HASSAN.

Sir,

I assumed charge of Sakleshpur Sub-Division, on the afternoon of Tuesday the 14th instant, in obedience to Government Order No. 10256/C.B. 3-49-18 dated 9th February 1950 posting me to that Sub-Division.

You are kindly aware of the circumstances under which the posting of mine was ordered and my previous posting as Revenue Officer, Municipal Corporation, Bangalore, was cancelled. Though I have put in more than 3 years of malnad service in Kadur District and also more than 2 years of service in highly malarial places like, French-Rocks, Maddur, etc., I did not protest against this posting of mine to Sakleshpur Sub-Division, as I had never in my service done so, and I considered it my duty first to obey kind orders of Government, and then to submit my representation in the matter.

I find that after the very heavy strain that I had to undergo during the last three months when I was in charge of the arrangements for the UNESCO Seminar, the Autumn Session of the Governing Body of the International Labour Organization and the Labour Ministers' Conference as Special Duty Officer, my health has suffered a great set back, and that during the last one month I have been keeping very indifferent health.

Though the doctors advise me rest for a couple of months, I did not somehow take the matter seriously and joined duty at my new place on the 14th instant. But the climatic conditions there precipitated matters and I have been feeling indisposition from the very day I took over charge there and I was ultimately laid up with high temperature from the third day onwards with the result that I have been forced to take leave till the end of this week and return to Mysore, where my family still continues to stay. After running continuous temperature for 5 days I am advised by my doctors that it is inadvisable for me to go back to work in a Malnad Sub-Division.

In addition to this, I find the doctor who is treating my wife who has been a chronic patient since the shock she had at the time of the unfortunate disturbances at Channapatna at which I was also a victim in 1946, advises me, on hearing of my posting to Sakleshpur, that she cannot under any circumstances be made to live in malnad conditions, except it be with much risk to her life.

Thirdly, my children who are studying in the High School at the St. Philomena's High School here are accustomed to medium of instruction in English, whereas I understand the general medium of instruction in the High School at Sakleshpur is Kannada. This again means that I have to continue two of my boys who are students of the High School at Mysore, with the result that I will not be able to shift my family to Sakleshpur, and I will have to run two establishments, one at Mysore and another at Sakleshpur.

It is in these circumstances that I am with much hesitancy, submitting this, my representation, for the sympathetic consideration of the benign Government for kindly giving me a change back to Mysore, or in the alternative to Bangalore, where I want to continue treatment under proper medical advise, both for myself and my wife. I may be permitted to submit here, that when I was

first appointed as Special Duty Officer for UNESCO Seminar in October last, I was given the assurance by the benign Government that I will be re-posted to Mysore Sub-Division as I was there barely for a period of 9 months.

Thanking you,

Yours faithfully,

Mysore,
22nd Feb. 1950.

Dear Sir,

I write to acknowledge the receipt of your letter No.11825/CB. dated the 7th March 1950 enclosing a copy of D.O. letter No.P.C.53/49-50 from the Revenue Commissioner in Mysore proposing that Sri. K. Balasubramanyam, Senior Assistant Commissioner doing duty as Secretary to the Committee for the Revision of the Land Revenue System may be posted immediately as the First Assistant to the Revenue Commissioner and may continue to look after the work of the Committee also till it submits its report to Government and to state that the Committee has completed its deliberations only on the 7th March 1950 and the work of drafting the report has just commenced. It will not therefore be possible to submit the report to Government by the 15th March 1950 as expected by the Revenue Commissioner, though the report will be before Government by the end of this month as desired by them. The Secretary has not only to prepare the draft report but also to get it printed after it is approved and also attend to the work of winding up the office. I have, however, no objection to Sri. K. Balasubramanyam being posted immediately as the First Assistant to the Revenue Commissioner provided it does not stand in the way of the work of the Committee in any manner until the report is submitted to Government.

The Revenue Commissioner also spoke to me about his idea of having Sri. K. Balasubramanyam as his First Assistant and I have made it clear to him that I can agree to the proposal only on the definite understanding that until the Committee's work is over, Sri. K. Balasubramanyam must primarily attend to it, subordinating his other work to it, if necessary. The Revenue Commissioner has agreed to the above condition.
